

## Elements of language

For its 3rd edition, SIDO Paris enriches its offer and embeds **the Digital Infra & Cybersecurity bricks to create, collect, store, transmit, process, analyze and protect your digital data. Thus, SIDO Paris becomes the one-stop-shop event for IoT, IA, Digital Infra & Cybersecurity technologies: Adopt a holistic vision and integrate all the technical bricks essential to the success of your 4.0 project!**

**A complementary positioning to the Lyon edition**, an intensified synergy with Open Source Experience, (jointly organized at SIDO Paris) to combine hardware and software into systems:

**Join us on December 6 & 7, 2023 at the Palais des Congrès in Paris**
